2

Teclea nombre, email y contraseña. Dale a continuar y crea tu perfil.

3

Crea tu perfil en 1 minute... **y ya está.**

## 2 – Consulta tus recomendaciones personalizadas

Después de tu **Perfil** define tus **Preferencias** para obtener tus recomendaciones personalizadas.

Analizamos 13.000 ofertas para encontrar tus mejores match.

No sabes donde están las mejores oportunidades, déjanos sorprenderte.

The screenshot displays a user interface for job recommendations. At the top, there are tabs for 'All Offers', 'Recommended', 'Saved', and 'Applied'. Below this is a breadcrumb trail 'Home > My Recommendations' and a small 'Ex. 1' label. The main content is divided into two columns. The left column shows a user profile for 'Timu Selanutti', a 'Premium Account' that expires on 12/01/2018, and statistics for recommended jobs (100), saved jobs (0), and applications (0). The right column features a job listing for 'CRM Campaign Coordinator (Internship)' at 'BlaBlaCar' in Paris, France, with a 'STARTUPS' badge. The job details include 'Internship, Marketing, English' and a company description. It also shows the date published as '20/06/17' and '0 Applicants'. At the bottom of the job listing are three buttons: 'SAVE', 'VIEW', and 'TRASH'. A smaller, detailed profile card for 'Timu S.' is overlaid on the bottom left, showing his profile picture, name, location (Spain & France), languages (English, Italian, Swedish), and education (Bachelors from IAE Aix-en-Provence).

### 3 – Busca con palabras clave y filtros inteligentes

Usa filtros para encontrar empleos y prácticas **'fuera de España'** o para **'españoles nativos en Francia'**

Teclea búsquedas como **'prácticas en marketing'**.
